PROJECTS

1. **Rewari Handicrafts – E-Commerce Website** { <https://akhandjyotdiya.in/> }

- Developed a responsive e-commerce-style website using HTML, CSS, JavaScript, and Bootstrap.
- Implemented product listings, navigation, bulk enquiry forms, and responsive layouts.
- Worked on SEO optimization and UI improvements to enhance user experience.

2. **Amazon Website Clone and CSS Designs** { <https://github.com/Kanikaverma1234/Projects> }

- Designed and developed an Amazon-inspired e-commerce website layout using HTML, CSS, and JavaScript.
- Implemented core UI components such as navigation bar, search bar, product listings, banners, and footer.
- Focused on responsive design to ensure compatibility across different screen sizes.
- Gained hands-on experience in real-world e-commerce UI structure and layout design.

BLOGGING & LEARNING

- Active writer on Medium, sharing content related to JavaScript, Web Development, and interview preparation.
- Continuous improvement of skills in full-stack development.
